- Roof of the Main Church (leaking)
- Our Blessed Sacrament Sanctuary - Main Church
- Visual Display System in the Church (ideally upgraded)

**Have you thought? What's my haemorrhage?**

In the gospel story, the woman suffers a serious physical complaint – an unending flow of blood – that must have left her physically, emotionally and spiritually exhausted. For many of us there is some aspect of our lives that has an almost equally draining effect as the physical complaint of the woman. In effect, some aspect of our lives may be haemorrhaging – a constant outflow of energy and emotion that prevents us from being all that we might be. It may be an unhealthy relationship; an addiction; a lack of confidence; a grudge; a lack of emotional control.
