Scripture. It must be said that CHRIST himself 'is present in his word, since it is he who speaks when Scripture is read in Church.' Indeed, 'the liturgical celebration becomes the continuing, complete and effective proclamation of God's word. The word of God, constantly proclaimed in the liturgy, is always a living and effective word through the power of the HOLY SPIRIT. It expresses the Father's love that never fails in its effectiveness towards us.' The Church has always realised that in the liturgical action the word of God is accompanied by the interior working of the Holy Spirit who makes it effective in the hearts of the faithful.

Pearl of Wisdom

For to us a child is born, to us a son is given; and the government shall be upon his shoulder, and his name shall be called Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace. Of the increase of his government and of peace there will be no end, on the throne of David and over his kingdom, to establish it and to uphold it with justice and with righteousness from this time forth and forevermore. The zeal of the Lord of hosts will do this.
